

What is the National Barrel Horse Association? The National Barrel Horse Association headquartered in Augusta, Georgia and has become the largest barrel racing organization in the world since its inception in 1992. The NBHA has almost 23,000 members from across the United States and affiliates in six other countries: Canada, Italy, France, Panama, Brazil and the Netherlands. NBHA Members of all ages can compete at the District, State, National and World Championship level. Each state is divided into competition Districts where members can compete for money and prizes at a local level. New York District 06 is comprised of 9 counties, stemming from Route 20 south, to the Pennsylvania border. Our local membership is strong and increasing in size. This year New York District 06 plans to host up to fifteen events across the entire region. We will be sanctioning events at many venues including the Great New York State Fair. This offers an inexpensive opportunity for businesses to reach not just our members but their families and the many spectators attending our shows. Without business sponsorships our shows would not be nearly as successful, in return the people associated with NBHA NY 06 are very loyal and supportive of our sponsors. **Sponsorship Options:**
